Profile

Computer Science Student & Technical Leader with 3+ year of experience managing a 40-member team and 14+ events for 1,000+ participants as IT Club President. Hands-on experience building accessible mobile systems and web platforms using **Laravel, Flutter, Firebase, and Figma**. Certified in Huawei AI and Cisco Networking; currently seeking a Developer or UI/UX role to leverage leadership and technical design skills.

Professional Experience

Freelance Web Developer & UI/UX Designer • Architected and deployed custom event websites using modern web technologies (HTML, CSS, JavaScript) to streamline registration and information sharing for various clients. • Designed and developed digital menu systems and interactive landing pages, focusing on intuitive navigation and user-centric design principles. • Produced high-fidelity social media assets and branding materials, leveraging tools like Figma and Canva to ensure visual consistency and high engagement for client campaigns.	01/2024 – Present Batu Pahat, Johor
Sales Assistant <i>iStore by C-Zone</i> • Leveraged technical background in Computer Science to provide expert consultation on Apple's ecosystem, advising users on hardware specifications (M-series silicon architecture, GPU/RAM requirements) and software compatibility for specialized developer and designer workflows.	07/2024 – 09/2024 Petaling Jaya, Selangor

Education

Bachelor of Computer Science (Web Technology) with Honours <i>Universiti Tun Hussein Onn Malaysia</i> • CGPA: 3.59 • Final Year Project : Smart Accessibility System for Campus • Relevant Coursework : Web Development, Mobile Application Development, Database, Content Management, Web Application • Received Dean's List award for 2 semesters	10/2023 – Present Batu Pahat, Johor
Sijil Tinggi Pelajaran Malaysia (Physical Sciences) <i>Kolej Tingkatan Enam Petaling Jaya</i> • MUET Band 5.0 • CGPA 2.50 • Physics, Chemistry and Mathematics	08/2021 – 02/2023 Petaling Jaya, Selangor

Organisations

Information Technology Club, UTHM

President

12/2024 – 12/2025

Batu Pahat, Johor

- Executed 30 high-impact events across two semesters, including Career Talks, Industry Visits, and the Digital Innovathon Symposium, engaging a total of over 1,000 participants.
- Directed club strategy and operations while managing the annual budget and securing corporate sponsorships to fund large-scale technical workshops and hackathons.
